

It goes without saying that a good education is something to be greatly desired. Having a strong Biblical foundation is also of great importance, and CYE Christ Academy ensures our students receive both.

My grandmother always told me "they can take away your house and all your possessions but they can never take away your education". Nothing brings me more joy than to see our young students grow into healthy and productive adults. I am excited to be a part of a board that works tirelessly for our students' future, supportive of our staff, families and friends of CYE Christ Academy.

Matthew 7:24-27

"Therefore whoever hears these sayings of Mine, and does them, I will liken him to a wise man who built his house on the rock: and the rain descended, the floods came, and the winds blew and beat on that house; and it did not fall, for it was founded on the rock. "But everyone who hears these sayings of Mine, and does not do them, will be like a foolish man who built his house on the sand: and the rain descended, the floods came, and the winds blew and beat on that house; and it fell. And great was its fall."

Jesus speaks plainly about ensuring our foundations are built upon the Rock (Christ) and with this we shall not be shaken. It is my responsibility along with my fellow board members to ensure that these Biblical principles are embedded and rooted in our school's operation in order to ensure that our students are receiving the solid foundation they need to become future Christian leaders.

I conclude by applauding you for investing in the future of your children. We understand the importance and value of your children's education, and we pray that you will see the exceptional benefits that CYE Christ Academy has to offer. We are committed to providing a private Christian education that will prepare these young men and women as future Christian leaders in our nation.
